SHIVAM TRIPATHI

Lucknow, Uttar Pradesh, India | +91 8468003619 | a.k.shivamtripathi@gmail.com| LinkedIn| GitHub

PROFESSIONAL SUMMARY

Full-Stack Web Developer with hands-on experience building web applications using Python, JavaScript, React.js, FastAPI, Node.js, MongoDB, and MySQL. Skilled in developing RESTful APIs, managing client-server state, and building responsive, reusable UI components. Strong foundation in Data Structures and Algorithms and Object-Oriented Programming. Experienced in using Git and GitHub for version control and collaborative development.

TECHNICAL SKILLS

Programming Languages: Python, JavaScript, Java, C

Frontend Development: React.js, HTML5, CSS3, Component State Management, Client-Side Routing, Responsive Web Design

Backend & Databases: FastAPI, Node.js, Express.js, RESTful APIs, MongoDB, MySQL, API Integration

Developer Tools & Version Control: Git, GitHub, Visual Studio Code, IntelliJ IDEA

Core Concepts: Data Structures and Algorithms, Object-Oriented Programming, Database Schema Design, Computer Networks

Soft Skills: Problem Solving, Team Collaboration, Adaptability, Technical Communication

WORK EXPERIENCE

Web Developer Intern **Sept 2024 – Dec 2024**

Zidio Development Remote

- Developed reusable React.js components and implemented frontend features based on project requirements.
- Contributed to the redesign of the organization's official website, focusing on responsive design and cross-browser compatibility.
- Worked with Node.js, Express.js, and MongoDB to support backend API development and database integration for the Task Management System.
- Collaborated with team members using Git and GitHub for version control and code management.

PROJECTS

Task Management System | MERN Stack

Node.js, Express.js, React.js, MongoDB, REST APIs

- Developed a task management application supporting task creation, editing, filtering, and status updates.
- Built reusable React.js components for task management workflows and user interactions.
- Developed RESTful APIs using Node.js and Express.js and integrated MongoDB for persistent task data storage.

Online Quiz Platform | Full-Stack Application

Python, FastAPI, React.js, MySQL, JWT

- Developed a full-stack online MCQ testing platform with JWT authentication and role-based access for Admin and Student users.
- Implemented REST APIs for quiz management, timed assessments, automated server-side scoring, and leaderboard generation.
- Designed a normalized MySQL database and built a responsive React.js interface for test delivery, result review, and performance analytics.

EDUCATION

Master of Computer Applications (MCA) **2025 – 2027 (Pursuing)**

Babasaheb Bhimrao Ambedkar University, Lucknow, Uttar Pradesh Percentage: 74.40%

Bachelor of Computer Applications (BCA) **2022 – 2025**

Institute of Computer Science & Technology (ICST), Varanasi, Uttar Pradesh Percentage: 74.02%

CERTIFICATIONS

- **Web Development Internship Certification** – Zidio Development (Dec 2024)
- **Python Programming Certification** – GeeksforGeeks

LANGUAGES

- **English:** Professional Working Proficiency
- **Hindi:** Native Proficiency
